

## **Crested Butte South Metropolitan District**

# **PUBLIC SERVICE ANNOUNCEMENT: EFFECTIVE IMMEDIATELY CORONAVIRUS (COVID-19)**

Due to the recent developments of the COVID-19 pandemic, the Crested Butte South Metropolitan District has decided to remove all public access to the District Office and Wastewater Facility. District employees will be working, as normal, to make certain all water and sanitation services remain fully functional. With a 14-day mandatory quarantine for individuals testing positive for the virus, we must take all precautions necessary to ensure that our small staff is protected and can continue to provide the water and sanitation services that you all have been accustomed to. Facility doors will be locked so we ask that you utilize the night drop box located by the front door for delivering payments and any other information that you would like the District to receive. Phone and email communication will be open, as always, to address any of your questions. Thank you for helping limit the spread of the virus and maintaining staff health and District operations. We look forward to returning to normal operations once the health risks have been reduced.

Monday-Friday, 8:00-4:30
