READ CAREFULLY

This permit is granted expressly subject to the conditions, specifications and penalties set forth by the Crested Butte South Metro District Rules and Regulations, Appendix I: Construction of Utilities Within Road Right of Way

- All labor and materials shall be furnished by the applicant, contractor, developer, owner, or governmental agency and assumes all responsibility and liability for any and all damages or claims resulting from said installation and hereby agree to pay for any and all repairs that must be made to this portion of the roadway or right-of-way resulting from installation for the life of the utility.
- In the event any changes are made in said roadway or right-of-way in the future that would necessitate the removal or relocation of said installation, the applicant, contractor, developer, owner or governmental agency will do so at their own expense upon written request from Crested Butte South Metro District.
- That the applicant, contractor, developer, owner ore governmental agency represents that it, its employees, agents and subcontractors are covered by workmen’s compensation insurance, and that the applicant, contractor, developer, owner or governmental agency indemnify and hold harmless Crested Butte South Metro District from any and all claims of any nature whatsoever which thereto including costs of suit and attorney’s fees incurred by the District should litigation arise from said claims.
- This understanding and agreement will be binding upon your respective heirs, executors, administrators and assigns.
- **A COPY OF THIS PERMIT SHALL BE AVAIALE AND PRESENTED UPON DEMAND ON THE JOB SITE AT ALL TIMES.**
- Authority for the administration and enforcement of the Utility Construction Permit is derived from the 1973 Colorado Revised Statutes Sections: 37-84-108 through 38-5-101, 42-4-101 through 42-4-513, 42-4-1207,43-2-111, 43-2-147, 43-5-301, 43-5-3, and 32-1-1006.
- The permittee agrees that permittee shall pay Crested Butte South Metro District’s costs and attorney’s fees for enforcement of the requirements of this permit.
- The U.S. Fish and Wildlife Service has determined effective December 22, 2014 threatened species status, under the Endangered Species Act of 1973 as amended, for the Gunnison Sage-grouse. Crested Butte South Metro District approval of this Gunnison County permit is not U.S. Fish and Wildlife Service approval of any activity described or authorized by the District permit. Crested Butte South Metro District is not and does not act as your representative with regard to consultation with the U.S. Fish and Wildlife Service or performance of U.S. Fish and Wildlife Service requirements.
