

PUBLIC NOTICE

Crested Butte South Metropolitan District

The Board of Directors of the Crested Butte South Metropolitan District has for consideration a 13.6% water and wastewater rate increase that would take effect January 1st, 2022. District management will be taking comment from the public until October 27th, 2021 at which time a rate increase will be approved. Additionally, a tap fee increase has been approved to take effect January 1st, 2022. Such increases consist of an increased base rate per Equivalent Residential Use Unit, or EQR, and additional fees allocated to homes with more than three bedrooms and two bathrooms. Public is welcome to comment at our regularly scheduled meetings on the last Wednesdays of the month or by appointment.
