Spring

DO YOU HAVE A HOT TUB?

DID YOU PAY A HOT TUB TAP FEE?

The District does not charge monthly usage fees for hot tubs, but rather a onetime tap fee for \$550.00 for a single family and \$1,100.00 for a multifamily.

Please note: The District will be making a big push to collect all uncollected hot tub fees in 2018 and will add the fee to your next regular bill.

CELEBRATING 28 YEARS WITH THE

DISTRICT: We are excited to announce Stuart Dole will be celebrating the start of his 28th year with the District on April 1st, 2018. If you would like please congratulate him if you see him around.

DID YOU KNOW: Winter maybe the reason why so many people visit and live in Crested Butte, but spring and summer have the most amazing colors. So plentiful that in 1990 the Colorado General Assembly designated Crested Butte the Wildflower Capital of Colorado.

WATER MAIN BREAKS

Unfortunately water main breaks are out of our control and are common this time of year. If you notice a change in water pressure or witness water coming out of the ground please notify the District because your diligence could allow the District to respond to the incident quicker than our emergency alarm system may permit.
