## New Stop Signs

As this District continues to grow, more and more complaints for speeding and close calls are being reported. To help address the issue, the District invited Colorado State Patrol to help develop a plan to reduce speeds and potential accidents. CSP is the lead official for the entire state and has jurisdiction over and above local law enforcement including Gunnison County Sheriffs. Several characteristics unique to our District were considered in the process including steep grades and winter travel challenges. This plan will model existing traffic law where downhill facing vehicles will stop for uphill moving traffic. Yielding traffic was strongly discouraged by CSP as it leaves too much judgement and is ultimately not as safe. Multiple two-way or even three-way stops will be developed as a result. Please be on the look-out for these new stop sign changes.

## WATERING REGULATIONS

5:00 am to 10:00 am  
- and -  
5:00 pm to 10:00 pm

## SUMMER ROAD MAINTENANCE

The District has several summer road maintenance projects throughout the District. Please expect and be patient with road closures.

# GO PAPERLESS

Go paperless, pay online, &/or setup  
autopay:
